About Boxworks

Boxworks designs and manufactures a wide variety of gift packaging products. We have the facilities and ability to assist customers in creating a box that will suite their packaging requirements from the design process, right through to the cutting and assembly stages.

In addition to providing high quality packaging solutions, we also stock a variety of ribbons and fillers to compliment our boxes.

Here at Boxworks we aim to assist our customers in receiving their products completely ready for use or sale.

We endeavour to provide everything you may need to find the perfect packaging idea.
